

## Specialty Collection

# Dancestep Plus Flooring

**Dancestep Plus** is a dual-density foam-backed flooring designed to be installed directly on a properly sealed concrete slab. Dual-density foam gives increased energy absorption. Textured wear layer makes for a non-slip surface. Great for all styles of dance except tap (due to sound reduction).

<b>Price</b>	See insert or website for current pricing
<b>Thickness</b>	.24" (6.0 mm)
