## Timestep Collection

The ultimate multi-purpose floor ideally suited for all movement activity including tap, hip-hop, ballet, contemporary, character, ballroom, jazz and flamenco. Heavy-duty, portable, and permanent flooring for stage, touring and studio. Can handle heavy scenery and props. Surface can be treated for differing degrees of non-slip.

### Super Timestep

Ideal for ballet, pointe work, contemporary, jazz and all dance forms requiring a superior non-slip, textured surface. Durable wear layer makes for an excellent multi-purpose floor with a fiberglass reinforced lining for lie-flat quality. Energy transfer layer allows for tap and percussive dance. Flexible for easy roll-out and roll-up like a standard marley. Installed permanently with adhesive or temporarily with tape, or **ReUselt**. See insert or website for current pricing.

### Timestep

The ultimate multi-purpose floor ideally suited for all movement activity including tap, hip-hop, ballet, contemporary, character, ballroom, jazz and flamenco. Made of 2mm (.08") thick solid homogeneous PVC. Heavy-duty flooring for stage, touring and studio. Can handle heavy scenery and props. Surface can be treated for differing degrees of non-slip. Installed permanently with adhesive or temporarily with tape, or **ReUselt**. See insert or website for current pricing.

### IN STOCK COLORS

Available for immediate shipment, 24 – 72 hours.

Solid Grey

Solid Black: Full Rolls Only.

Marbelized Medium Grey

Marbelized Light Tan

### Timestep T

Made of same material as **Timestep** (solid PVC) but 25% thinner and lighter for touring and temporary installation at an economical cost. Also suited for all movement activity including tap, hip-hop, ballet, contemporary, character, ballroom, jazz and flamenco. Can handle heavy scenery and props. Surface can be treated for differing degrees of non-slip. See insert or website for current pricing.

### IN STOCK COLOR

Available for immediate shipment, 24 – 72 hours.

Marbelized Medium Grey

### CUSTOM COLORS AVAILABLE IN FULL ROLLS ONLY

Allow up to 6–10 weeks for delivery

Slate Grey: Timestep and Timestep T

<b>Guarantee</b>	1 year against wear

Aluminum compound taps can disintegrate on flooring, leaving a black/grey residue. See maintenance instructions online at [stagestep.com](http://stagestep.com). To avoid this residue, use aluminum or steel taps. Use TapShield (page 24) or FloorShield Maintenance System (page 25) to lessen this problem. For Micron Wipes (see page 24).

## Our Customers Say It Best

*"We are very happy with our **Stagestep** floors at our historic studios in New York City—so when we built our new extension in Long Island City, there was no question whom we would call first. **Stagestep's SpringFlex** subfloor systems and rollout **Super Timestep** vinyl flooring is high-quality, durable, and a tremendous value. They handled everything from selecting the most appropriate floor for our needs to installation. Our instructors and students have been dancing on our new floors and they are thrilled."*

**F. Lee Merwin**

Director of Operations, Joffrey Ballet School

Timestep, multi-purpose studio, stage and touring floor.
