

## At A Glance

- Woodstep has the look of real wood
- Easy install
- Great lie-flat
- Non-slip
- Portable

Slightly textured, heavy-duty surface. Exceptionally realistic wood design combines form, function, and ease of installation. Resists wear and tear. Great for dance and multi-purpose activities.

Recommended for ballet, jazz, contemporary dance and virtually all movement activities. Surface is made of protective coating which is slightly textured. Not recommended for tap due to cushion-backing which mutes sound. Can be installed directly on a concrete slab without a floating subfloor.

Has all the qualities of Plus with extra shock absorption provided by a dual-density foam backing. Recommended for ballet, jazz, contemporary. Not recommended for tap due to cushion-backing which mutes sound. Can be installed directly on a concrete slab without a floating subfloor.

## Woodstep Collection

Woodstep floors have the look and feel of wood without the maintenance expense. These are multi-purpose floors for those that need the premium aesthetic provided by a wood look. Excellent for all types of dance. (**FloorShield II** needed for tap.)
